

## JOIN NBMA-AMNB

**NBMA-AMNB offers its members essential services which are not in the mandate of the CMTNB.**

Since 1988, NBMA-AMNB, the first massage therapy association, has been the leader in Massage Therapy in New Brunswick, a precursor of excellence in therapeutic massage and the leader in establishing the legislation for New Brunswick Massage Therapists. Both the public and the therapists now benefit from the official recognition of massage therapy as a health profession.

NBMA-AMNB was the founding member of the Canadian Massage Therapy Association and has acted at the National level for the interests of Massage Therapists including as the lead intervener in the significant Axa Case in 2004; moreover, NBMA-AMNB was the recipient of the provincial Lt. Governor's Dialogue Award in 2013.

Since its beginning, NBMA-AMNB has been recognized for its integrity, devotion and support for the profession.

You have opportunities to expand your leadership skills and self-confidence in various committees with open leadership and very efficient communications and networking.

NBMA-AMNB members take care of each other to enhance **CARE** for our patients.
